

# DOMAINE DE TERRES BLANCHES

· B U É · E N · S A N C E R R E ·

The embodiment of Saget La Perrière's resolve to produce great wines, Domaine de Terres Blanches also symbolizes the commitment to quality which has been ingrained within the Saget family for generations. Like a diamond in the rough, it took the skilled work of men and in particular that of consultant, Stéphane Derenoncourt, and his team, to cut through to the quintessence of the Domaine's magnificent terroirs. Convinced of Domaine de Terres Blanches' potential, the man behind the project, Stéphane, and his team, have succeeded in drawing out the mineral expression of the Domaine's white wines and the delicate character of its reds, thanks to exacting work in the vineyard and on its soil. With three appellations from Central Loire, the property gives us a true recital of the Sauvignon Blanc varietal, brought out beautifully in the appellations of Sancerre, Pouilly Fumé and Coteaux du Giennois.

**Grape variety :** Pinot Noir 70% and Gamay 30%.

**Soil :** Our vineyard, located in the district of Bonny sur Loire, is planted on siliceous clay soil terraces overlooking the Loire River. The average age of the vine is 15 years.

**Production technical data :** The grapes are immediately cold pressed. The resulting must is naturally clarified by low temperature static settling and ferments in temperature-controlled stainless steel vats. The rosé wines are aged on the fine lees for 4-6 months.

**Tasting notes :** Fruity aromas followed by a lively and well balanced body with slightly spicy touches.

**Food-wine pairings :** Typically, our rosés would be enjoyed with charcuterie or grilled dishes, but they also pair well with exotic flavours of sweet and sour dishes.

Serve at a temperature of 8/10°C.
