· B U É · E N · S A N C E R R E ·

The embodiment of Saget La Perrière's resolve to produce great wines, Domaine de Terres Blanches also symbolizes the commitment to quality which has been ingrained within the Saget family for generations. Like a diamond in the rough, it took the skilled work of men and in particular that of consultant, Stéphane Derenoncourt, and his team, to cut through to the quintessence of the Domaine's magnificent terroirs. Convinced of 'Domaine de Terres Blanches' potential, the man behind the project, Stéphane, and his team, have succeeded in drawing out the mineral expression of the Domaine's white wines and the delicate character of its reds, thanks to exacting work in the vineyard and on its soil. With three appellations from Central Loire, the property gives us a true recital of the Sauvignon Blanc varietal, brought out beautifully in the appellations of Sancerre, Pouilly Fumé and Coteaux du Giennois.

## Sancerre

**Grape Variety :** Sauvignon 100%.

**Soil :** Our 12-hectares of white Sancerre vineyards are mainly made up of parcels situated in the commune of Bué, as well as Sancerre and Amigny. The predominantly limestone soil consists of "Caillottes", the typical hard limestone found in the Sancerre area, and "Terres Blanches" (white stones).

**Production technical data :** After a cold settling, the clear must is fermented in temperature-controlled vats for 20 days. The wine is then aged in vat on its fine lees for 6 months.

**Tasting notes :** The aromas express themselves through floral notes and hints of citrus. This pleasant, smooth wine possesses lingering fruity aromas.

**Food-wine pairings :** Our Sancerre white will pair well with shellfish, seafood, sushi or goat cheese omelette.  
Serve at a temperature of 8/10°C.
